TERMS AND CONDITIONS

Price

All prices quoted in US Dollars F.O.B. Sri Lanka Colombo Katunayake Airport. Air freight payable by buyer.

Quality

All live stocks are carefully selected and assured to be disease free by our quarantine process.

Packaging charges

All specimens are packed in pressurized oxygenated double plastic bags. Normally 4 bags per box. All fish are packed in Styrofoam boxes. Freshwater fish and Marine fish packing cost US\$ 10.00 per box.

WEIGHT OF BOX

The weight per fresh water fish box would be around 13kg to 14kg, weight of marine fish box would be around 14kg and weight of water plant box would be around 8kg.

Quantity per box

Approximate quantity packed for each species is indicated in the price list. However the quantity can be increased or reduced depending on duration of flight via Airline routes on direct flight or sector flights.

Documentation

1. Health certificate for fish
2. Certificate of origin
3. Any other certificate required by your country, to be informed with the order
4. US\$100 will be charged for each shipment made (for certificates & communication + Handling+ Bank Chargers)

Ordering and Delivery Schedules

When ordering kindly produce your freight guarantee to the airline you consider shipping the consignment, to facilitate handling of the order without any delay. If you need the freight prepaid, please send us adequate funds in advance. Orders should be sent direct by e-mail or fax. Orders will be executed normally within 7 days of receipt of order.

Payment

Total payment required in advance for first three shipments (Total Fish value & Total Freight including certificate & packing chargers) .Payment is to be made according to the terms stated in the Invoice. Only Telegraphic Transfers will be accepted by us - T.T. receipt should be faxed to us immediately. No Cheques will be accepted.

Guarantee

We guarantee live arrival and we will undertake 100% D.O.A responsibility. Any genuine claims for dead fish should be notified **within 24 hours of arrival with photos**. Claims due to airline faults must be submitted to the airline immediately upon arrival and keep us informed of same. Replacements will be made if the fault lies with the company.

We guarantee below 1% D.O.A.

Size of fish

All fish sizes are in cm and the standard length of the fish (Nose to beginning of the tail) is given.

Availability list

Availability list will be circulated on every Monday for next shipment.

Note: Most fishes listed are produced in our own ornamental fish farms in Sri Lanka. We are, therefore, able to give direct service. We have been supplying fish to other Sri Lankan exporters for long period of time. We assure to supply 90% of fish ordered.

You are assured of our prompt and efficient service.

Recommendation

The quality of our fish can be certified through world-famous buyers if and when needed.
